

1 Week Artexing Course

For course costs please check our current price list.

This course is suitable for the complete novice and for those with a limited knowledge of artexing.

The aim of this course is to show you the correct method of:

Applying plasterboard to ceilings.

Covering background preparations and treatments.

Showing you how to tape and caulk the ceilings.

Prime or seal different surfaces on ceilings and walls ready for the artexing patterns to be applied.

You will be taught various patterns including stipple, swirl, broken leather, scroll, broken swirl and many more.

To provide a quality finish you will be taught to create imaginative borders and ceilings roses.

An Advanced Artexing course is available on request.
